## FROM OUR PARSONAGE

Dearly Beloved in Christ,

We are in the second quarter of this financial year with so many programs, such as, Youth camp: ALAM (Army Leading a Mission), Mission field Visit, Parish Picnic, Sevika sanghom Day, Senior citizens' day, Harvest Festival, Onam Sadhya, etc. along with our regular programs.

We celebrated our 12th parish day on 23rd June 2019. It was a happy occasion especially since our Diocesan Bishop Rt. Rev. Dr. Geevarghese Mar Theodosius Thirumeni celebrated Holy Communion and led the Parish day service and programs. Along with all other programs First communion service and Special service for Altar boys were the part of our parish day service. It was a very blessed occasion to remember the meaning of Holy Qurbana once again. Therefore, I would like to share some ideas regarding Holy Qurbana with you through this newsletter.

### **HOLY QURBANA: "Queen of Sacraments".**

Last Supper is one of the biblical scenes that artists have tried to portray more than any other scene. Holy Qurbana is known as the "Queen of Sacraments", the central action of our worship and it is the dynamic centre of Christian life.

"While they were eating, Jesus took bread, and when he had given thanks, he broke it and gave it to his disciples, saying, "Take and eat; this is my body. Then he took a cup, and when he had given thanks, he gave it to them, saying, "Drink from it, all of you. This is my blood of the covenant, which is poured out for many for the forgiveness of sins. I tell you, I will not drink from this fruit of the vine from now on until that day when I drink it new with you in my Father's kingdom." (Mathew 26:26-29).

The Biblical basis for celebrating the Holy Qurbana is found in Mt.26:19-30, Mk.14:16-26, Lk.22:13-20, 1 Cor.10:16-17, 1 Cor.11:23-29, etc. Holy Qurbana signifies the presence of God and our hope in the eternal Kingdom and it is a symbolic act of appropriating God's grace into our lives.

### **Liturgy and Taksa'**

The word 'liturgy' means service rendered to God and people. The word liturgy is derived from the Greek word 'Leitourgia', which originated from two separate words 'Leitos' (from Laos -people) and 'Ergos' (work). Therefore, liturgy is an act of the congregation. Liturgy is a form and arrangement of public worship and hence an expression of faith. The Mar Thoma Church is a 'Litururgical Church' and her faith statements are in the liturgy. In Syriac language the order of worship is known as 'Taksa'. Our 'Taksa' is believed to have been based on the liturgy according to

St. James, the brother of the Lord Jesus Christ. The St. James (Gal.1:18-19) liturgy is the oldest order of worship in the Christian church. The Liturgy of St. James originated in Jerusalem and it was in extensive use in Syria and in course of time underwent several changes, which were introduced by certain Church Fathers. The Liturgy envisages a cosmic worship, involving the heavenly hosts, all of creation, and the Church constituting of all its believers.

### **Qurbana: A Sacrament:**

Christian worship is a corporate witness in faith of God's faithfulness. Worship is giving God His worth. God is really worthy of our total self-offering. The Holy Qurbana is a solemn reminder of God offering His Son Jesus Christ to die on the Cross for the salvation of the whole created order. It is also the offering of oneself unto God for His divine purpose.

The word sacrament is derived from the Latin word 'Sacramentum' meaning to 'make sacred'. A sacrament is a visible means of experiencing the invisible Grace of God. The symbolic language and visual expressions are helpful, to communicate spiritual truths easily.

### **Importance of holy Qurbana**

#### **1. Holy Qurbana is a sacred memory.**

As we participate in the Holy Qurbana we remember the birth, public ministry, passion, death, burial and resurrection of Jesus Christ. It is Jesus who instituted the Holy Qurbana and said 'Do this in remembrance of me' (1 Cor.11:24-25). It is the Lord who is inviting us to His table.

#### **2. Holy Qurbana helps us to practice fellowship.**

The Holy Qurbana is a symbol of reconciliation in the church. As we partake in the Holy Qurbana we are reminded that we are all one in Christ – there is no difference on the basis of gender, background, color etc. (Gal.3:28). Jesus said if your brother has something against you, first reconcile with him, then offer your gift (Mt.5:23-24). As we partake in the Holy Qurbana we are proclaiming that we are a reconciled and reconciling community. It includes the confession of our sins for the renewal of fellowship with God and God's creation. We are called to offer our bodies as a living sacrifice, holy and pleasing to God (Rom.12:1).

#### **3. Qurbana Invites us to enter into a perfect Unity.**

Communion in the Body and Blood of Christ guarantees our perfect union with the Lord and with ourselves. We have failed to understand the value of perfect union with the Lord and our community. Because we live in a society with

so much discriminations in the name of family status, education, financial strength, gender, religions, political views etc. The self-emptying love of God coming into our lives in the form of His Body and Blood transforms us into an ideal community that seeks only the will of God. Thus our union becomes perfect. The Early Church lived like such a community where there was no discrimination of any kind. This is the greatest challenge we have.

**4. The Holy Qurbana is the Source of Growth in Faith, Hope and Charity.**

The holy Qurbana also helps us grow in the virtues of faith, hope and charity. These virtues are essential to the spiritual life.

The Holy Qurbana nourishes and strengthens our faith by what it signifies: the wisdom, love and power of God manifested to us by Christ in His Real Presence and in His Sacrifice. In this respect, the Eucharist is the sacramental “sign of the covenant. The Eucharist should move us to deeper faith by reminding us what God has in fact done for us: manifesting His trustworthiness.

The holy Qurbana is also the source of hope. The basis of this hope is the salvation won by the death and resurrection of Christ and the gift of His Holy Spirit poured out in our hearts.

God Send His only begotten son to the world for salvation. It is the best example for Christian giving of charity. Jesus himself become the prime example to the Christian giving. He gave his life to the salvation and redemption of the world. The messenger is identified with the message which he preached. The holy Qurbana signifies and makes the love of God to be manifested in Christ and in the outpouring of the Holy Spirit.

5. Holy Qurbana invites us to surrender ourselves before God for the betterment of the world and for the salvation of the world. Submit our being and having. Who are we and what do we have? The Last Supper signifies the supreme example shown by our Lord by serving His disciples. The Lord served them like a servant and washed the feet of the disciples. He taught us that a truly great person will have no hesitation to serve others like a servant.

**Conclusion:**

The Holy Qurbana is the expression of the very being of the one, Holy, Catholic and Apostolic Church. It is a communion. It is a sacrifice. It is the remembrance of the birth, life, public ministry, crucifixion, burial, and the resurrection of our Lord and savior Jesus Christ. Thus it is the center of all Christian worship and the source of our spiritual life.

In Christ's Service
